I understand that there will be no credit given for classes unattended regardless of how many days are in any particular month. I'm aware that my account will be charged for the class even if the dancer does not attend. **Tuition is due by the 30th/31st for the next month or a \$15.00 late fee will apply. Service will be discontinued on any account that reaches 30 days past due. Too often, we receive LATE payments and are expected to overlook tardiness of payment. Unfortunately our creditors will NOT do the same for us, and the studio has financial obligations of its own to meet.**

All students and parents/legal guardians are aware of possible physical injury that may occur during dance/tumbling classes, performances, and/or rehearsals and are willing to assume those risks. It is agreed that students, and their parents/legal guardians will not hold Anita's Theatre Dance, its director, and/or employees liable for injuries sustained while in attendance or while participating in any Anita's activity. I grant permission to Anita's Theatre Dance to use pictures and videos of my child to promote dance and/or the dance studio. I have received my information folder.
